Dear Parents/Carers.

Welcome to autumn 2. Your children have all been assessed and have been busy working hard in their phonics group. Last half term, your children will have either brought home phonic books or sounds that match their current ability. These would have been sent home in a plastic wallet to protect the book or sounds. Please share these with you child as they will be excited to show you what they have learnt.

Unfortunately, some of the books are not being returned which means that this is an additional cost to our budget. In light of this, I am requesting that a £1 contribution is given for each book not returned. As the school uses these books for all year groups, children not returning books has an impact on children not being able to having the same access to learning. Please have a look at home for any phonic books you may still have at home and return them to your child's class teacher.

If you have any questions , you can discuss these with your class teacher during your parent/teacher consultation. Or alternatively, I will also be around to answer any of your questions.

Many thanks for your continued support
