Q. Do we accept non C of E applicants for denominational places?

A. All applicants will be considered but please note that this school must be the NEAREST church school to your home address as per our admission policy. Each application is checked using the LA website www.croydon.gov.uk/mynearestschools.

Also the church you attend must belong to Churches Together in Britain & Ireland (CTBI). As part of the reference we send to the vicar, we ask them to confirm your church commitment and their membership to this association of churches. Please note that a lot of Pentecostal churches are NOT part of CTBI and therefore in these circumstances your application would not meet our admission policy.

Q Who approves denominational applications?

A. A panel of Foundation Governors review all the applications.
