Dear Parent/Carer

Thank you for expressing an interest in our school. We appreciate that making the right choice of school for your child is very important and hope that our prospectus, available on our website, will help you in making your decision.

The prospectus outlines the ethos of the school and its aim, to ensure every child develops intellectually, creatively, physically, emotionally, socially, morally and spiritually. We achieve this by motivating our pupils through an enriched curriculum, the professionalism of our skilled staff the challenging support of the Governing Body and working together in partnership with parents.

You are most welcome to visit the school. We are available on selected Tuesday/ Wednesday mornings to show prospective parents around the school and to answer any questions that you may have after reading the prospectus. Please contact the school office to make an appointment.

We look forward to establishing a supportive, trusting and positive relationship with you, your child and your family.

Yours sincerely

Mrs. Stephanie Edmonds
