

The Minster Nursery and Infant School

PE Funding Statement 2021-22

Our Aims

We aim to strengthen existing good provision in order to:

- Promote a 'Growth Mindset' approach, resilience and determination in the face of challenge, especially for disadvantaged pupils.
- Promote 'sportsmanship', respect and honour to develop character in all learners.
- Enable all learners to believe that they can experience success through effort and perseverance.
- Promote healthy life-style choices and a love of physical activity in order to reduce obesity levels.
- Aid social development & increase pupils self-esteem, confidence and a love of learning via physical activity.

Initiative	Provision	Intended Impact	Impact measurements	Cost
'Stay Active' Lunchtime provision (Mon - Fri)	Every lunch time there is a structured sports activity taking place in the playground or hall on wet weather days. Which focuses on inclusion, teamwork and helps the children better understand the importance or discipline and respect when participating in sports. It also targets and encourages children of all abilities.	-Engage children who are unable to attend after school activities. -Increase variety of activities available to the children. -Increase activity levels -Improve pupils attitude towards physical activity	- Register attendance of children taking part daily and impact measurement sheets	£3744

Curriculum Support	<ul style="list-style-type: none"> - High quality, inspiring and engaging PE lessons are held every day Monday to Friday throughout the school for children from Nursery to Year 2. - Reporting pupil progress and achievement each half term. - Where relevant co-deliver / support PE lessons with teaching staff to focus on teacher and LSA identified personal development and support needs. -Work collaboratively with teachers to incorporate cross - curricula links with themes and topics. 	<ul style="list-style-type: none"> - All children to make progress throughout the year. - Improve children's attitudes towards PE and physical activity. 	<ul style="list-style-type: none"> - Pupil attainment data. - Pupil voice - Teacher/LSA observations. 	<p>£6216 for Key Stage 1</p> <p>£4792 for EYFS</p>
Enrichment Course	Target Specific groups such as PPG, SEND and More Able.	<p>Improve pupil attitude towards learning through physical activity. Developing self-confidence to build a 'can do' belief. Provide these groups with a wider range of experiences/activities targeted at specific needs.</p>	<p>Pupil voice</p> <p>Teacher observations</p> <p>Pupil Attainment data</p>	£3061

<p>Midday Supervisor training</p>	<p>Mr Currie will lead midday supervisor games/activity training - staff are shown a variety of different games throughout the year which can easily be played during the lunch time play.</p>	<ul style="list-style-type: none"> - Activity programme created for Midday supervisors to follow. - Midday supervisors to be confident in organising activities 	<p>Mr Currie is always available to support and share ideas to help lunch time play run more smoothly, which then has a big impact of improved behaviour and makes play time more safe for the children.</p>	<p>£0 (inc with Stay Active Lunchtime)</p>
<p>Update and Future Proof key sports equipment</p>	<p>Purchase further gymnastics/sports equipment to future proof delivery and engagement.</p>	<p>Being able to have more equipment available in each lesson allows children to develop skills faster, and allows children to develop and improved attitude towards physical activity as children enjoy using quality resources and equipment.</p>	<p>Children will stay more engaged and focus due to new and improved equipment allowing them to make more rapid progress throughout lessons.</p>	<p>£77</p>
<p>Total Spend £17,890</p>
