# News

This week we harvested the remaining vegetables in the Nursery garden. We have added a document to Tapestry which will help the children remember some of the vegetable names, a link can also be found here >

**Vegetables Vocabulary**

This catchy song from 'The Singing Walrus' has also been a favourite, with some children getting excited when they recognise vegetables from the song in our Home Corner!

We have been pretending to chop up vegetables and taught the children a new rhyme called 'Chop Chop'. We have uploaded this as an activity to Tapestry. Do have a look out for it, along with the other documents we have put there for you.

After harvesting, we enjoyed reading the story of 'The Enormous Turnip. Enjoy listening to it with your child here

> **STORY: The Enormous Turnip**

Here is a talking activity you could do at home >

**ACTIVITY: The Enormous Turnip**

**Vocabulary**

vegetables, turnip, tomato, carrot, broccoli, onion, pumpkin, beans, pull, little, big, enormous, seed, grow, chop.

**Social Skills and Self-Care Requests**

Help your child learn to wipe their noses with tissues and encourage them to 'catch' their sneezes and coughs.
