

Dear Parents/Carers,

The spellings for this week are words that end with the 'e' sound spelt '-ey'.

Group 1	Group 2	Group 3
donkey	key	key
turkey	donkey	donkey
monkey	turkey	turkey
money	monkey	
trolley	money	
chimney		

Challenge words: chocolatey

This week in English, we are continuing our work on 'The Journey Home'. We will be describing the stormy scene and we will be planning and writing our own versions of the story. In maths, we will be continuing our work on addition and subtraction by solving word problems. We will then be moving on to looking at equal groups and repeated addition, building up to understanding multiplication. In science, we are learning about planning a test to answer a question and in R.E., we are looking at light and understanding why Christians call Jesus the light of the world. In geography, we will be learning to locate the North and South Poles.

Homework

Please continue to support your child's learning by playing board games. This can support learning in many ways: You could look at the instructions together, helping your child to read them and follow them. Board games also help children with maths skills like counting on in jumps along a number line or using logic in others.

Maths: Online - <https://www.topmarks.co.uk/Flash.aspx?f=postsortingwordproblem> - select the addition and subtraction level.

Practical - Support your child to understand and complete the word problems on the worksheet.

Please ensure your child has trousers in their P.E. kit as the weather is now getting colder.

Please bring homework in by Tuesday 26 November.

Thanking you for your continued support with learning,

Year 2 team
